

GRYPHON INDOOR SOCCER LEAGUE

INCREDIPLEX

Winter I (Nov/Dec)
Winter II (Jan/Feb)

GRYPHON INDOOR SOCCER LEAGUE is an opportunity for all players of all levels to stay soccer active throughout the Winter months. This League is unique in that we focus on challenging the players in an organized and age-appropriate environment.

Welcome to our new program, **Indoor Soccer at Incrediplex**. We are focusing on all players of all levels from any Club or organization to come together on Saturday mornings to participate in **Organized Scrimmage Matches** and **The FootSkills Challenge**. Our Nationally Licensed staff is excited to keep your player challenged during the Winter Season. Join us in this Next Level soccer experience.

OVERVIEW:

Open to anyone from any program or Club, the Winter Indoor Soccer League is divided in two sessions: Winter I and Winter II. These sessions are 5-6 weeks long allowing players to gain foot skills and match competition for all level of players.

Each week players of the same age group (6U-14U) will start the session off with 15-30 minutes being graded at the Foot-Skills Challenge and assigned a Skill Level - then followed up by an organized scrimmage match with like Game-Level players. We will run each session with age-appropriate as well as level-appropriate training and format.

Benefits of this Next Level Indoor format:

- No more lump team fees.
- No more "finding subs" during league play.
- No more lopsided team seeding.
- No more parent having to put a full Team payment on a CC.
- No more parent coaches or having to find a coach.

Winter Indoor Kit

Every player will receive a Winter Indoor league jersey to wear. Players will be required to wear black shorts and black socks (not provided).

Session Cost

Winter I (Nov/Dec): \$55

Winter II (Jan/Feb): \$55

Winter I & II: \$100*

*(when paid at the same time)

Register at: SPORTINGINDIANAFCCOM/INDOOR

The Winter Indoor Soccer League is ran by the Sporting Indiana FC nationally licensed staff.
